REQUEST FOR QUOTATION (RFQ)

RFQ Title: Storm Drain Grate Repositioning and Pipe Insertion
RFQ Number: 2025-5-002
Date Issued: May 22, 2025
Response Due By: June 2nd 2025
Project Location: Bridgeton, NC 28519

Scope of Work

The Town of Bridgeton is soliciting quotations from qualified contractors to perform drainage infrastructure improvements at a designated location within the town limits. The project includes the following:

1. Insert PVC Pipe:
 - Insert a 12-inch (or larger) diameter PVC pipe into the existing metal drain tile.
 - The PVC pipe must extend a minimum of 14 feet into the existing metal pipe.
 - The annular space between the PVC and the existing metal pipe must be sealed using concrete or an equivalent approved filler material to ensure a watertight fit.
2. Reposition Existing Grate:
 - Raise and reposition the existing storm drain grate to ground level to match the surrounding grade.
 - Extend the existing grate seat to bring the grate up by several inches to meet grade level.

REQUEST FOR QUOTE (RFQ)
MAY 22ND 2025

Deliverables and Requirements

- All work must comply with applicable local and state codes.
 - Contractor shall provide all equipment, labor, and materials necessary to complete the project.
 - Site must be cleaned and restored to original condition after work is completed.
 - Contractor is responsible for ensuring all necessary safety precautions and traffic control measures are in place during construction.
-

Quotation Requirements

Submitted quotes must include:

- Total project cost (including labor, materials, equipment, and any incidentals)
 - Estimated timeline for completion
 - Copy of relevant licenses and insurance documentation
-

Evaluation Criteria

The Town will evaluate quotes based on:

- Cost
- Experience and qualifications
- Proposed timeline
- References
